

October 2026

Dear Parents and Carers,

Re: Tutor 2U Unit 2 Booster Workshop 25th November 2026

We are inviting those students sitting BTEC Business Studies to attend the Tutor2u Grade Booster conference for Unit 2, at the **Vue Cinema, Westfield Shopping Centre, Shepard's Bush**. Ticket cost is £36.

This conference was attended by our Year 13s last year and was very well received. It gave students essential insights into subject content and exam technique. Students also came away with some very useful resources to help them revise for the exam.

Travel is not included. Students will be required to make their own way to and from the conference. They will meet me at the venue no later than 9.45am. The conference starts at 10.30am and finishes at 3.10pm.

In addition, students are required to provide their own lunch and refreshments for the day and are required to wear suitable attire that correctly reflects the school. The venue is a short 10-minute walk from Shepard's Bush train station, which is on the central line, and can be picked up at Stratford or London Liverpool Street.

Payment for the course and consent is through ParentPay. We would be grateful if this can be processed by 30th October 2026 to allow the school enough time to organise a group booking.

Should you have any questions about this course, please contact Mr Taylor via admin@moulshamhigh.org.

Yours sincerely

Mr J Taylor
Subject Leader of Business Studies
